Blue Planet Foundation sponsors Greendrinks social gathering tomorrow night

HONOLULU—The Blue Planet Foundation will be sponsoring the monthly gathering of Greendrinks at E&O Trading Company at Ward Centre Tuesday, October 7, starting at 5:30pm. The event will feature a short presentation by Blue Planet on the organization's goals and vision to transform Hawaii's energy culture. A short film featuring highlights of the 2008 Blue Planet Summit will be shown that includes appearances by leading energy experts including Robert F. Kennedy Jr., Prof. Stephen Schneider, former CIA Director Jim Woolsey, and others. Co-sponsor Kanu Hawaii will also be making a presentation.

WHAT: Greendrinks social gathering and networking opportunity. Happy hour drink prices and free pupus available. Greendrinks is open to the public. Event sponsored by Blue Planet Foundation and Kanu Hawaii

WHERE: E&O Trading Company at Ward Centre

WHEN: Tuesday, October 7, 5:30 pm – 8:30 pm; program at 7pm

WHO: Anyone interested in socializing with others concerned about a sustainable Hawaii

For more information on the Greendrinks gathering internationally, see www.greendrinks.org

The Blue Planet Foundation is a non-profit organization created to change our world's energy culture, to raise global awareness in order to develop and adopt practical programs to implement clean, efficient, and renewable energy and to create a global response to our increasingly urgent climate crisis.
